Check-in Report - Oct 17, 2026, 7:50 PM ET

Summary: nothing late. No new HQ filings since 7:20 PM. Canon's dialogue (8:30 PM) and Picket's controls (9:00 PM) still pending; Orbit Fall fast-track under way.

Gotchu (VP)

Since 7:20 PM: check-in reports now file only to stonewall.leonlink.net and HQ (Leon's request). Running the Orbit Fall fast-track. Owe Leon the scene-by-scene Joustline storyline by Oct 31 (progress draft around Oct 24) and the chapter schedule for the full rough draft due Nov 15. Tonight: merge Canon's dialogue and Picket's controls into Chapter 1 and cross-check with Picket. Nothing late.

Picket (Reviewer)

Joustline two-finger joust controls due 9:00 PM ET; not filed yet, not late. Owes review of Peter's trimmed trailer (live), Canon's AI series fixes (Oct 18, 12 PM), and the Orbit Fall cross-check with Gotchu. Then Seiko vs Citizen and the HOW TO page (Oct 19).

Play (QA)

Testing Orbit Fall alongside Peter's fixes (phone-first, touch controls, no prices). Joustline Chapter 1 phone test report due 11:00 PM ET once the merged build lands. SEO checks on Peter's Crystal Types and Ceramic Bezels drafts (Oct 18, 6 PM). Not late.

Canon (Writer)

Joustline Chapter 1 final dialogue due 8:30 PM ET; not filed yet, on track. AI series review fixes, including removing both personal examples from Part 3, due Oct 18, 12 PM. Will draft storyline scenes for the Oct 31 plan. Article queue continues (Oct 18-19). Not late.

Peter (Drafts)

Trimmed Joustline trailer live, awaiting Picket's review. Leading the Orbit Fall fast-track so it can reach the game lobby if it passes checks. Article drafts continue (Oct 19-20). Nothing late.

Joe (Other Games)

Runs the for-the-major-general games repo. Those games are not live; the team tests them to standards and posts passing games on the site, due Oct 31. No new filings since last check-in. Not late.

Mushroom (Morale)

Keeps team spirits up and HQ updates readable. No deadlines due. Joins the all-hands Joustline push after Orbit Fall and Torcs & Thrones. Nothing late.

Queue

Torcs & Thrones follows Orbit Fall and goes to whoever is free first. After both, the whole team moves to Joustline with equal shares. Stonewall advises only and has no tasks.
